- All Christmas trees are Nordmann Fir (non-drop/Abies nordmanniana)
- All sizes are in cm and measured from the base of the tree to the crown of the tree
- 1ft=30.48cm
- All trees are strictly graded, netted and palletized
- Prices are ex-delivery - Customers can collect from the farm or we can arrange delivery at cost
- New customers are required to pay in advance
- Existing customers will be invoiced on delivery, our terms are 28 days
- We do not accept cash

Thank you for downloading our 2011 wholesale Christmas tree price list. This is our only price list and all customers are given the highest quality trees and level of service regardless of volume or status.

This season we have visited the finest growers in Scandinavia and sourced some of the best Nordmans in Europe.

We supply to garden centres, farm shops, florists, high street chains, shopping centres, schools, churches and resellers. We strongly advice ordering early to avoid disappointment and ensure that both parties are organised logistically. From mid November we focus our entire resources to our own retail business and **will** turn away wholesale orders. This season we have reserved 4,000 primas and 2,000 standards for wholesale – Don't leave it to late!

*Our best selling pallet last season. A mix of 80% prima and 20% standard grade Nordmans varying in size (150cm-240cm). The majority of the pallet is made up of 5ft and 6ft Christmas trees with a small percentage of 7ft+Christmas trees included to maximize profit.

For resellers selling prima from an established location in London or the South East we suggest commanding at least £45 for a 6 ft Nordman.

We do have our own water holding Christmas tree stand available for wholesale. The DMAC11 has all the qualities of a Cinco 7. It will hold Christmas trees up to 8ft and is durable and safe. Please call the office for more information.

To order please call the office on 0845 5196447. For advice please call Jeremy on 07706409499. Good Luck this season, we do have a limited number of Norway Spruces available on request.
